[LinkedIn Profile](#)

Education

Khwaja Fareed University of Engineering and Information Technology

RYK, Pakistan

M.Phil in Mathematics (2.85 / 4.00)

Sep 2021 – May 2023

Relevant Coursework: Advanced Graph Theory, Theory of Group Graphs, Advanced Algebra, Fuzzy Analysis, Random Number Generation, and Monte Carlo Methods

Thesis: ON TOPOLOGICAL PROPERTIES OF MIDDLE GRAPH OF BENZENOID PLANAR OCTAHEDRON NETWORKS

[View MS Thesis](#)

Khwaja Fareed University of Engineering and Information Technology

RYK, Pakistan

Bachelor's in Mathematics (CGPA: 2.8/4.00)

Oct 2018 - May 2020

Relevant Coursework: Numerical Analysis, Software Packages for Mathematics, Operation Research, Optimization Theory, Graph Theory / Network Theory, Mathematical Statistics

Islamia University, Bahawalpur

RYK, Pakistan

Associate Degree in Mathematics & Physics

2015 - 2018

Relevant Coursework: Calculus, Multivariable Calculus, Number Theory, Mechanics, Electronics and Applied Physics.

Technical Skills

MATLAB, LaTeX, SQL, MySQL, Pandas, Power BI, Microsoft Excel, Git, GitHub, Jupyter Notebook, PyCharm, Google Colab, Anaconda, Mathematica, Maple

Experience

NICE Degree College

RYK, Pakistan

Subject Specialist – Intermediate Classes

October 2021 – December 2022

Developed slides and supplementary materials, recorded video lectures, and edited content for 12th grade Mathematics for an online app.

Freelance Tutoring (Upwork)

Remote / Onsite

Private Tutor

January 2019 – Present

Provided remote services on Upwork, delivering solutions for mathematical problems, assignments, and analytical tasks. Maintained client communication, ensured timely delivery, and handled diverse problem-solving requirements across multiple projects.

Private Tutor

Remote / Onsite

Self-Employed

2020 – 2024

Delivered one-on-one tutoring, improved student performance, and supported exam preparation through structured lessons and regular progress tracking.

Falcon Academy

RYK, Pakistan

Mathematics Instructor

2019 – 2021

Aided 11th and 12th grade college-level students in comprehending their subjects more easily. Delivered onsite lectures and conducted assessments.

Govt. High School 100/p

RYK, Pakistan

Intern Lecturer in Mathematics

August 2019 – December 2019

Delivered mathematics lectures, assisted students in understanding key concepts and supported exam preparation through structured lessons and class activities.

Activities

Advancements in Mathematics and its Application

Lahore, Pakistan

Attendee: Advanced exploration of Mathematics applications.

2023

Department of Mathematics SBASSE LUMS

Remote

Participated: 3-Minute Thesis CAdvancements in Mathematics and its Application —

April 2024

Attendee; Advanced exploration of mathematical applicationsompetition.

Certifications

TECH HUB KFUEIT

RYK, Pakistan

Certificate of Participation in Tech Olympiad

2019

Technical Training Center, Rahim Yar Khan

RYK, Pakistan

Certificate of Excellence in Mathematics

2020

Global Institute of Modern Technologies

RYK, Pakistan

Certification in Data Science and Data Analytics

2022
